

JOINING STAREHE BOYS' CENTRE

Starehe Boys' Centre is a charitable institution for bright but poor boys, giving them a unique holistic education. Our mission is *to provide care and education for boys in need and inspire them to transform into productive and exemplary members of society*. Since its foundation in 1959 more than fourteen thousand boys have been raised at Starehe, becoming capable and caring members of society, enhancing their chances in life and ultimately the welfare of their families. Old Starehians continue to make a positive contribution all over the world as competent professionals, conscientious public servants and innovative entrepreneurs.

To be admitted at Starehe, a child must fulfil the following three requirements:

1. The candidate must **select Starehe as their 1st Choice of National School** at the time of choosing their preferred Secondary School for Form 1 and Junior Secondary School Grade 7. In the list of schools, Starehe is placed in Cluster 3 with the other older national schools, but this does not mean that it should be selected as the third choice, a common mistake. Only applicants that make Starehe their 1st Choice of National School will be considered for admission.
2. The candidate must also complete and return our Yellow Form. Additionally, CBC Grade 6 Candidates must also fill and return the Additional Information Sheet. Both the Yellow Form and the Additional Information Sheet are available from the Centre but can also be downloaded from our website at <https://bit.ly/3Ak2OpN>. It is of vital importance that both these documents be truthfully and fully completed, with all the requisite documents attached. Candidates may also request the Yellow Form and Additional Information Sheet by calling us on 0777761213 – 7, eMailing us on info@stareheboyscentre.ac.ke, or sending an SMS/WhatsApp message to 0727531001.
3. The candidate **must perform very well** in the KCPE for Standard 8 pupils and in the Kenya Primary School Education Assessment/Kenya Inter-Mediate Level Education Assessment for Grade 6 pupils. Entry into Starehe is very competitive and hence only the best-performing candidates are considered. Because we endeavour to admit boys from every part of the country each year, Starehe does not have a standard cut-off mark applicable to all candidates from all counties. Candidates seeking to join the Centre are encouraged to aim for the highest possible score achievable.

Application Deadlines

Given the changes to the National Academic Calendar, the deadline for the submission of the Yellow Form and the Additional Information Sheet has been extended to 30th September 2022. We recommend that these documents be hand-delivered to the Centre, or sent by a reliable courier service that provides proof of delivery/receipt.

Fees at Starehe

At least 70% of the places at Starehe are reserved for children from poor backgrounds, while 30% are granted to fee-paying children. Starehe seeks sponsorship for the disadvantaged children – and is only able to keep them in school due to the generosity of persons and organisations of goodwill from across the world. Old Starehians, our alumni, are our largest single sponsor. The fee-paying boys are charged fees according to the means of their families, subject to an economic minimum.

We ardently encourage candidates applying for a sponsored place at Starehe to also **apply for support from the various Foundations and Programmes that support poor children**, including the Constituency Development Fund, County Government Bursaries, Equity Wings to Fly, the KCB Foundation, Education for All Children, etc. **Admission to Starehe does not disqualify a child from receiving such support.** Where they are granted such support, it will fund their education at Starehe should they be admitted at the Centre.

PART I: TO BE COMPLETED BY THE HEADTEACHER.

I CERTIFY that this pupil made Starehe (Code Number 400004) his OFFICIAL FIRST CHOICE OF NATIONAL SECONDARY SCHOOL. From my knowledge of his background, I make the following recommendation (CROSS OUT the ONE which DOES NOT apply):

He is a poor and needy boy. His parents and members of his extended family could not afford fees for him in an ordinary secondary school. He deserves to be considered for **FREE BOARDING and TUITION** at Starehe. (About 200 of Starehe's Form 1 places are reserved each year for award to disadvantaged boys).

His family is able to pay fees and understands that all fee payers are charged according to family means. (About 80 Form 1 places are awarded to such boys who qualify on merit).

My school has _____ Pupils in Standard VIII. In the most recent tests, this boy's position was No. _____ overall and he attained _____ marks out of 500. Please report on the boy's conduct and any special interest or talents he may have (e.g. Sports, Scouting, Art, Music, etc) in the space below:
